## WELCOME

As we prepare for course registration for the 2021-22 school year, we are focused on helping students and families understand the exciting academic options at Minnetonka High School. From programs like Advanced Placement (AP) and International Baccalaureate (IB) to Language Immersion, Minnetonka Research, VANTAGE, Tonka Online and courses in the Trades through MOMENTUM, *it's all here.*

The MHS registration "season" is one of the most critical times of the year. Through engaging virtual information meetings and events, class presentations and staff encouragement, we endeavor to support students as they identify areas of passion, explore all course options and find the right fit for their upcoming academic year.

**Families and students:** Open this booklet, highlight programs of interest, mark your calendars and discuss academic options. Together, we can help all MHS students reach new levels of personal excellence of which they can feel proud.

WORKING WITH YOU!**

## PASSION

Minnetonka students learn by exploring! They discover their passions by being involved in the *Four A's*: academics, arts, activities and athletics. In the classroom, students realize their passion and interests through a range of options from AP and IB, Minnetonka Research and VANTAGE, to Trades, Arts and Tonka Online courses.

## SUPPORT

The MHS team is committed to meeting students where they are and bringing them to the next level of learning with support and care. When considering options for next year, investigate programs, ask questions and look for guidance from teachers, counselors and staff that will lead to intentional decisions.
